

“Russian Runs to Glory”*

“Ludmilla Petrova,
finishing the race
gave some credit for her victory
to her husband,
who did the housework.”*
*And when, I ask myself
was the last time a man
who took first place
gave some credit to his wife
who did the housework too?*

*Headline and picture caption for story about the New York Marathon, *International Herald Tribune*, November 7, 2000.]
