

Some

Some people will talk the talk
but they don't walk the walk.

Some people can walk the walk
but they refuse to march the march.

Some people march the march,
but fail to dance the dance.

Some people may dance the dance,
but will never run in the race.

Some people might run in the race,
yet still do not know how to fly.

So my advice is: try
to find the person who
is ready to dream the dream—
and then
to share that dream with you.
